

### Press Release

Desist from the Sin of Slander Against Hizb ut Tahrir

## **Ending the US and Indian Presence in the Region is the Real Raddul Fassad (Repulsion of Corruption)**

The wicked regime has responded with bare-faced lies to the truthful campaigns of Hizb ut Tahrir Wilayah Pakistan, demanding the release of the advocate of the Khilafah, Naveed Butt, exposing the regime for paving the way for Akhand Bharat, by prostrating before the Hindu State culturally, politically, economically and militarily and calling the security agencies to mobilize against the US and Indian presence in the region, which has devastated Pakistan through bombings and assassinations for so long. In a particularly shoddy piece of journalism, in the typical, brash regime agencies' style, Dawn Newspaper undermined its own credibility by publishing a report on its website on 23 February 2017 entitled "Militants, facilitators behind shrine blast traced, CM told" which stated, "One of the three teams was sent to Punjab for arresting some people belonging to the banned Hizb ut Tahrir who had been identified as "facilitators" of the man who blew himself up in the Qalandar's shrine." (<http://www.dawn.com/news/1316402/militants-facilitators-behind-shrine-blast-traced-cm-told>)

Hizb ut Tahrir Wilayah Pakistan advises the media persons involved to repent sincerely before Allah (swt), Al-Baseer (All-Seeing), As-Samee (All-Hearing), Who forgets nothing of sin, including slander. It is upon them to contact our media office, which is easily done, to verify any slander by the wicked regime against the advocates of the Khilafah, ahead of printing this very press release, as a clarification for its esteemed readers, whom it has willfully mislead. Allah (swt) said, ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا﴾ **"O you who believe! If a wicked person comes to you with any news, ascertain the truth, lest you harm people unwittingly, and afterwards become full of repentance for what you have done."** [Surah al-Hujaraat 49:6]

As for the wicked regime itself, it has fallen to new depths of evil by turning against that very project which will save the Ummah from its enemies, the Khilafah project, instead of standing firmly against Washington and New Delhi, whose agencies, spies and assassins are behind the bloodshed which has rocked Pakistan for too long, which is the real Raddul Fassad (Repulsion of Corruption). By labeling this false accusation regime has confirmed that Raddul Fassad is just a cover as that was Zarbi Azab or National Action Plan to oppress the call of Islam and to target sincere callers of Islam in Pakistan because Hizb ut Tahrir strongly condemned

Sehwan incident as she always do on such incidents because killing innocent lives whether Muslims or non-Muslims is highly condemnable by Islam and there is a severe punishment in hereafter. Through its lies, the regime has confirmed its status as a slandering defamer that cares nothing for sin, as long as it continues to receive financial rewards for itself from Washington. Allah (swt) said, ﴿وَيْلٌ لِّكُلِّ هُمَزَةٍ لُّمَزَةٍ \* الَّذِي جَمَعَ مَالًا وَعَدَّدَهُ \* يَحْسَبُ أَنَّ مَالَهُ أَخْلَدَهُ﴾ **"Woe to every slandering defamer, who collects wealth and [continuously] counts it, He thinks his wealth will make him immortal."** [Surah Al-Humaza 104: 1-3]. It has confirmed its undying loyalty to Washington and New Delhi through its actions against those who fight the American crusaders in Afghanistan and those who fight the Hindu occupiers of Kashmir... also its felonious chases to those who call to re-establish the Khilafah (Caliphate) on the Method of the Prophethood, which is the sole guarantor for the repulsion of enemy corruption, whatever its form.

Hizb ut Tahrir will continue its march to re-establish the Khilafah (Caliphate) on the Method of the Prophethood whose dawn is near, and nearer than many allow themselves to think. It is assured by the fact that the Quraysh lost their mind, employing force and slander, in frustration and desperation over the unrelenting march of Islam. Not only did slander and persecution prevent the supremacy of Islam, it sped its arrival, because it confirmed to the sincere and aware as to who those who will really bring relief from the tyrants, are. Hizb ut Tahrir is certain that the victory over which the believers will rejoice will be achieved through the strict adherence to the Method of the Prophethood to establish Islam as a state, which includes demanding Nussrah (Material Support) from the people of power and protection, the officers of the armed forces. And Hizb ut Tahrir is committed, from the first hour of taking command of the reigns of power, to directing our security agencies for a real Raddul Fassad (Repulsion of Corruption), which is to cut the head of the snake, by cleansing the region of the diplomatic, intelligence and military presence of the crusading America and the scheming Hindu State. And on that day the truth will be manifest and the falsehood destroyed. Allah (swt) said, ﴿بَلْ نَقْذِفُ بِالْحَقِّ عَلَى الْبَاطِلِ فَيَدْمَغُهُ﴾ **"Rather, We dash the truth upon falsehood, and it destroys it, and thereupon it departs"** [Surah al-Anbiyaa 21: 18].
