Raheel Heads Alliance for US Hegemony

Why is the 41 Muslim Armed Forces' Alliance not Mobilized for the Liberation of Occupied Kashmir, Masjid al-Aqsa and Syria?!!!

Adopting a guarded stance under heavy criticism, the retired army chief General Raheel Sharif left for the Kingdom of Saudi Arabia to head a 41-nation military alliance, Defence Minister Khawaja Asif said on 21 April 2017, having been "given permission to head the military alliance after completion of all legal formalities and requirements" by the federal government. In an attempt to deceive the Muslims, the regime made a hue and cry to make the alliance debate purely about whether Raheel is allowed to head the alliance or not. However, the issue of the alliance is more than the mere head, it is about its purpose, what it is being mobilized for and from where it is being prevented from being mobilized!

So, we ask the regime, why is this alliance not being mobilized against the real "terrorists" today, the Indian forces in Occupied Kashmir, the Jewish entity's occupation of Masjid al-Aqsa and its blessed precincts and the criminal, chemical weapon deploying Bashar regime in Syria? And knowing that the regime does not have a mind of its own beyond its American masters' instructions, we answer clearly that the Saudi formed alliance is not for the sake of Islam and Muslims at all, that is just a veneer to hide its actual purpose, which is providing a last stand for US hegemony in the Middle East which is now under existential threat by the Islamic revival. Moreover, the purpose of the alliance is to fight any threat to US hegemony in the Muslim World, by denouncing it as "terrorism." So in fact, in the eyes of the Saudi formed alliance, those who fight the occupying forces in Kashmir, or the Jewish entity in Palestine, or the Bashar regime are "terrorists." And the real head of the alliance, the master of the Saudi regime itself, the United States will never allow the blessed Muslim troops of the Ummah of Muhammad (saaw) to raise their rifles, cannons and missiles at its allies from the Hindu State, Jewish entity and the Syrian tyrant.

O sincere officers of Pakistan's armed forces!

Hizb ut Tahrir knows only good of you because you carry within your breasts the love for Allah (swt), His Messenger (saaw) and the believers. It knows how you are restless over the US aggression in Afghanistan and how it throws its weight around demanding of you, when its own cowardly troops cannot secure their own national interests, to the extent that the US resorted to showcasing its "Mother of All Bombs", at a time when real men are needed on the ground. It knows how you are angered by

the calls for “restraint” whilst the Hindu mushrikeen troops undertake open war against our Muslim brothers and sisters in Kashmir, employing humiliating, killing, maiming and blinding. It knows well how your hearts would swell with honor and your limbs would energize with valor, if you were to be mobilized to liberate Masjid al-Aqsa, whose occupation by the despicable Jewish entity enrages you. And the Hizb knows how your blood boils at the foreign intervention in Syria and Yemen, which has led to the immense suffering of the Muslims, which has not spared the woman, the infant or the elderly.

Thus, knowing you well and knowing good of you, Hizb ut Tahrir calls upon you to turn the situation around for the Ummah of Muhammad (saaw), knowing that you are fully capable of that, for you are the mighty lions that have been chained, when they must be unleashed. Cut the chains by your own hands by granting the Nussrah to Hizb ut Tahrir, under its Ameer, the eminent jurist and wise statesman, Sheikh Ata Bin Khaleel Abu Al-Rashtah, for the immediate re-establishment of the Khilafah on the Method of the Prophethood. Cut the chains by your own hands, so finally you are released to fight, become martyred and emerge victorious against those who have tormented the Muslims for so long. Cut the chains, brothers, cut the chains that result in misery, extending support for Allah (swt) and march under the command of a Khaleefah Rashid to victory.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَنْصُرُوا اللَّهَ يَنْصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ * وَالَّذِينَ كَفَرُوا فَتَعْسًا لَهُمْ وَأَضَلَّ أَعْمَالَهُمْ * ذَلِكَ بِأَنَّهُمْ كَرِهُوا مَا أَنْزَلَ اللَّهُ فَأَحْبَطَ أَعْمَالَهُمْ﴾

“O you who have believed, if you support Allah, He will support you and plant firmly your feet. But those who disbelieve - for them is misery, and He will waste their deeds. That is because they disliked what Allah revealed, so He rendered worthless their deeds.” [Muhammad: 7-9]
