End American Raj, Establish Khilafah

The Bajwa-Nawaz Regime Humiliates Our Noble Armed Forces by Offering Them as a “Mercenary Force” to America

Debate has occurred within Pakistan's political medium since the Trump administration pressurized Pakistan. On 4 July 2017, the US's Chair of the Senate Armed Services Committee, Senator John McCain, said in a press conference in Kabul, **“We have made it very clear that we expect they [Pakistan] will cooperate with us, particularly against the Haqqani network and against terrorist organizations.....“If they don't change their behavior, maybe we should change our behavior towards Pakistan as a nation.”** This was after Pakistan's Chief of Army Staff, General Qamar Javed Bajwa, personally accompanied John McCain and his colleagues from US Senate Armed Services Committee to South Waziristan, in a humiliating and disgraceful display of showcasing Pakistan's contribution to American War on “Terror”. The trip was reminiscent of an imperial Viceroy visiting these territories in the era of the British Raj, where its local puppets rushed to show their loyalty and commitment to the Raj, in the hope of receiving patronage and guarantee for their seats of power from the visiting imperial official. And indeed it was with haughtiness and arrogance of a Viceroy that McCain threatened Pakistan with consequences ignoring the red carpet treatment and pledges of loyalty he received from Pakistan's military and civilian rulers. O, how Allah disgraces those who seek honor from other than Him (swt)!

﴿الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ الْمُؤْمِنِينَ أَيْبَتُّونَ عِنْدَهُمُ الْعِزَّةَ فَإِنَّ الْعِزَّةَ لِلَّهِ جَمِيعًا﴾

“Those who take disbelievers for Auliya' (protectors or helpers or friends) instead of believers, do they seek honor, power and glory with them? Verily, then to Allah belongs all honor, power and glory.” [Surah An-Nisa 4:139].

As if oblivious to any notions of honor, Pakistan's military and political leadership gathered on 7 July as the National Security Committee, slavishly reiterating Pakistan's commitment to continue supporting American efforts to tame the mujahid people of Afghanistan. The statement read: **“Pakistan continues to work for peace and progress in Afghanistan...and will continue to strive for return of normalcy in Afghanistan at the earliest. This, however, requires simultaneous efforts by the Afghan government for restoring effective control on its territory”**. This was the third meeting of the NSC in about six weeks, with the US crusade in Afghanistan featuring in all of the three meetings. And the weak stance of the Bajwa-Nawaz regime was issued ahead of the completion of the Trump administration's review of policy on

Afghanistan. And the treachery of the Bajwa-Nawaz regime was self-evident in a recent report issued by Pentagon which declared Pakistan as “**the most influential external actor in Afghanistan**”. Indeed as recent events in Pakistan and across the Muslim World have consistently reminded us, the sorry state of Ummah’s affairs is due to its rulers using her strength in service of her enemies, the Western crusaders.

O Sincere Officers of Pakistan’s Armed Forces! Do you need any reminder of your strength, especially in relation to Afghanistan, whose security lies in your hands for decades? Here is our foremost enemy, who leaves no opportunity to humiliate you, confirming your strength. How is it that our enemy openly declares your strength, but does not fear it? How is it that our enemy insults you and still expects more cooperation and support from you? How is it that your strength is used in service of America to strengthen her occupation of Afghanistan and not in the service of Islam to protect the people of Pakistan and Afghanistan, from the menace of American presence in the region, which has only brought death and destruction to these lands? It is these traitors in your leadership and Pakistan’s political leadership who lead you and use your strength not in the service of Islam and Muslims, but for the sake of protecting the interests of America. Move now, remove this treacherous leadership, provide Nussrah to Hizb ut Tahrir for the establishment of Khilafah (Caliphate) on the Method of the Prophethood in these lands, pledging allegiance to a Khalifah Rashid (righteous Caliph) who will use your strength in the service of Islam, ending the American Raj in the region.

﴿وَلَقَدْ كَانُوا عَاهَدُوا اللَّهَ مِنْ قَبْلُ لَا يُولُونَ الْأَدْبَارَ وَكَانَ اللَّهُ مَسْنُونًا﴾

“And indeed they had already made a covenant with Allah not to turn their backs, and a covenant with Allah must be answered for.” [Surah Al-Ahzab 33:15]
