Enough of Trump's Barking and Belligerency!

End Alliance with Foreign Powers that are Hostile to Islam and Muslims and Aid Others in their Hostility

Pakistan's current rulers must be deposed by the sincere officers within the armed forces immediately to prevent further devastation through the alliance with the US. Prior to his UN General Assembly speech on 21st September, which conformed all of the major US foreign policy objectives for Pakistan, Pakistan's Prime Minister, Shahid Khaqan Abbasi, stated before the US Council on Foreign Relations (CFR) that, "We have engaged with the US. We continue to engage with them to resolve any differences that come up and move forward." Pakistan has suffered enough through an alliance with a state that is not only hostile to Islam and Muslims, it also aids others in their hostility. Alliance with the US has led to the burning of Pakistan in the fires of chaos through the introduction of the US private military and intelligence that have conducted false flag operations, bombings and murders to further US regional objectives. It ensured the exploitation of Pakistan's formidable armed forces in operations to secure the US cowardly troops from the defiant resistance of the Afghan Taleban. It ensures the current exploitation of our resourceful intelligence in securing a political settlement in Afghanistan to provide cover for a continued US presence on the doorstep of the world's only Muslim nuclear power. And alliance with the US has led Pakistan's to secure the US presence of Afghanistan, whilst the US both strengthens India's presence there and supports its brutal aggression against the Muslims of Occupied Kashmir.

As for the Pakistani regime claim that it is trying to find an alternative to the US, allying with another foreign power that is hostile to Islam and aids others in their hostility that is not a solution either. China is hostile to the Muslims of East Turkestan, preventing them from fasting in Ramadhan, entering Masajid and growing beards. China politically, economically and militarily supports the Myanmar regime even as it butchers the Rohingya Muslims. As for the CPEC (China-Pakistan Economic Corridor), it has already established Chinese ownership of key resources which is a game loser, not a game changer. The CPEC has already drowned Pakistan in even more interest based foreign debt, adding to its huge debts to other colonialist powers and institutions. Through the CPEC, the regime has established dependence on Chinese imports and labor, which is further crippling Pakistan's long suffering local agriculture and industry. So, why must Muslims accept to be stung from the hole of foreign dependence again and again? Was once not enough?!

O Muslims of Pakistan! Muslims can never expect security and prosperity from alliance with foreign powers that fight Islam and Muslims and aid others to do so, for Allah (swt) warned, ﴿إِنَّمَا يَنْهَاكُمْ اللَّهُ عَنِ الَّذِينَ قَاتَلُوكُمْ فِي الدِّينِ وَأَخْرَجُوكُمْ مِنْ دِيَارِكُمْ وَظَاهَرُوا عَلَىٰ إِخْرَاجِكُمْ﴾ **Allah forbids your alliance with those who fight you because of your Deen, and drive you from your homelands, or aid others to do so: and as for those who turn to them in alliance, they are truly oppressors.”** [Surah al-Mumtahina 60:9] Muslims can never expect anything but harm from alliance with the hostile powers of the People of the Book and the Mushrikeen, for Allah (swt) said, ﴿مَا يَوَدُّ الَّذِينَ كَفَرُوا مِنْ أَهْلِ الْكِتَابِ وَلَا الْمُشْرِكِينَ أَنْ يُنَزَّلَ عَلَيْكُمْ مِنْ خَيْرٍ مِنْ رَبِّكُمْ وَاللَّهُ يَخْتَصُّ بِرَحْمَتِهِ مَنْ يَشَاءُ وَاللَّهُ ذُو الْفَضْلِ الْعَظِيمِ﴾ **Neither those who followed earlier revelation who deny the truth, nor the Mushrikeen like to see good bestowed upon you from your Sustainer; but Allah bestows grace upon whom He chooses- for Allah is limitless in His great bounty.”** [Surah al-Baqara 2:105] It is high time that the Muslims end this damaging era of allying foreign powers through re-establishing the Khilafah on the Method of the Prophethood. Islamic governance alone will ensure strength for the Ummah through unifying the current Muslim states as one Khilafah and building transport, communication and energy links between the hugely resourceful Muslim lands. Moreover, rather than depending on foreign technology and investment, the Khilafah itself will invest heavily in establishing a strong heavy industry, including the manufacture of engines, heavy machinery and arms so that the economy is built on a strong footing, giving it the capacity to become the world's leading state. Indeed, if a nation as small as North Korea can defy the barking and blustering Trump, what of the Khilafah when it arises, harnessing the power of the entire Islamic Ummah? So, stand now with Hizb ut Tahrir and demand from your brothers, fathers and sons in the armed forces their Nussrah (Material Support) for the re-establishment of the Khilafah on the Method of the Prophethood.
