If Led by a Sincere Leadership, the Officers and Soldiers of Pakistan Army can easily dismantle the evil nexus of US and India

On Wednesday, 22 November 2017, in an early morning search operation in Dera Ismail Khan, Major Ishaq of Pakistan army sacrificed his life. Personnel of Pakistan's armed forces are the sons of this Ummah and whenever news of their sacrifice comes, the whole nation becomes affected. The smiling picture of Major Ishaq and his one-year-old son has touched the hearts of the Ummah and it mourns his death. May Allah (swt) absolve Major Ishaq of his sins and grant patience to the bereaved family.

In recent days, many officers and soldiers of Pakistan Army have sacrificed their lives during operations and attacks on them. There is no doubt that the officers and soldiers of Pakistan's armed forces are brave, hardworking and capable, and we can compare them with any strong armed forces of the world in terms of strength and ability. But despite having such a capable armed forces the Ummah has been deprived of their strength in its own favor. That this Ummah have such brave officers and soldiers and still India is able to consolidate her occupation of Kashmir and continue to oppress the Muslims there is beyond comprehension. That this Ummah have such brave officers and soldiers and yet American political and military leadership comes to Pakistan with arrogance ordering us to "Do More" is surely humiliating. In fact the Muslim people of Pakistan and their armed forces are one of the best from amongst the Ummah but in the absence of a sincere leadership the Ummah and her armed forces in Pakistan are humiliated before the world. Muslims of Pakistan and their armed forces are not afraid of anyone except Allah (swt) but few traitors in the political and military leadership are afraid of America more than Allah (swt). Muslims of Pakistan and their armed forces do not deserve to have such a coward and treacherous leadership over them which spills the blood of our sons to protect the interests of America and ignores the interests of Islam and Muslims.

O Muslims of Pakistan! O brave officers and soldiers of Pakistan's Armed Forces! Major Ishaq and other officers are the sons of this Ummah and their blood is not that cheap that traitors in the political and military leadership sell it to secure American interests. They are the sons of this Ummah, and the Ummah has a right over them that their blood should only be spilled in defense of Islam and Muslims. But this will only happen when traitors in the political and military leadership are removed and the Ummah is under the shade of the Khilafah (Caliphate) on the method of Prophethood is established. Then the Khaleefah Rashid will move these brave sons of the Ummah for the protection of Islam and Muslims and they will revive the traditions of Khalid Bin Waleed, Muhammad Bin Qasim, Tariq Bin Ziad and Salahuddin Ayubi and the flag of Islam will be raised all over the world.
