Sever Ties with India and US to establish Peace in the Region:

Has not Enough Muslim Blood Been Spilled Already for us to Finally Re-Establish the Shield of the Muslims, the Khilafah (Caliphate) on the Method of the Prophethood?

Today, Sunday 15 July 2018, has been declared a day of national mourning after the huge blast in Mastung on 13 July that martyred over one hundred thirty Muslims so far, and injured over two hundred. On this day, let us make Dua sincerely that Allah (swt) grants Jannah to those who have died, descend consolation upon the bereaved and bestows cure for the injured. And on this day of reflection, let us commit solemnly to the sure path that will ensure peace and stability for the Muslims, here and elsewhere, the path of Islam and its shield for the Muslims, the Khilafah (Caliphate) on the Method of the Prophethood.

Certainly the claim of General Bajwa during his visit to the bereaved and injured of Mastung, that "our journey to peace hasn't yet reached the desired destination of complete peace but we are successfully nearing its achievement" is a false and hollow claim. It is clear, written in the blood of Muslims on our streets, that Pakistan's leadership is steering Pakistan away from peace for the last seventeen years, ever since the treacherous Musharraf first committed Pakistan to the US War on Terror. It is this despicable war that ensured Pakistan's support of the US such that it established the Raymond Davis network on our soil to spill our blood. It is this destructive war that further allowed the US to support India in establishing the Kulbhashan Yadev network to take its full share in spilling our blood. Is it not time to treat the enemy states as enemies, rather than maintain ties with them and live in the vain hope of securing peace through that?

In order to secure peace in Pakistan, it is mandatory that the alliance with America is torn to pieces, its embassy and consulates sealed, its intelligence and private military expelled and its supply lines cut; all of which only the Khilafah (Caliphate) on the Method of the Prophethood will ever do. It is upon the Muslims of Pakistan to make this path their single cause, such that they do not fall off this sure footed path onto any other, under the leadership of the misguided. And it is upon the Muslims to demand from the sincere officers in Pakistan's Armed Forces to take the first step on this path to security, which is granting Nussrah to Hizb ut Tahrir for the re-establishment of Khilafah (Caliphate) on the Method of Prophethood. Allah (swt) said, ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا بِطَانَةَ مَنْ دُونِكُمْ لَا يَأْلُوهُمُ خِيَالًا وَدُونًا مَا عَنْتُمْ﴾ **“O you who believe! Take not as (your) Bitanah (friends, etc.) those outside your religion since they will not fail to do their best to corrupt you. They desire to harm you severely.”** [Aali Imran 3:118]
