

Press Release

The Child Law and its Executive Regulations are a Prelude to the Dismantling of the Family, and a Poisoned Dagger in the Side of the People of Palestine!

(Translated)

Similar to its crimes against the people of Palestine, the Palestinian Authority (PA) has published the executive regulations for protection measures and granting rights to the child for the year 2022 in the latest issue of Palestinian Gazette, No. 194, a law that paves the way for the dismantling of the family and attacking the social fabric by destroying the father's care for his children and removing the children from their families and the provisions of their religion! Thus, the PA has completed the collar of the conspiracy; by relinquishing most of the Blessed Land, abandoning sacred matters, destroying the educational curricula, and striking the people's economy that it burdened with levies, taxes and excise duties, and here it is seeking to dismantle the family by enacting this law, publishing its executive regulations, and signing it via CEDAW.

The publication of the executive regulations of the Child Law confirms that the Palestinian Authority, through this law and through the other package of women and family laws that it presents, as well as through its feverish pursuit to spread the concepts of gender and culture gender has become a tool, and part of the fierce global attack which is being waged against Muslims, including the people of Palestine, to break up families, strike the fabric of society and erase Islamic values, like the rest of the existing regimes in the Muslim lands, which are now adopting international agreements as a charter that they want to formulate the lives of Muslims upon that basis, even if those agreements contain articles extremely dangerous to the Deen and Iman, as is the case of the International Convention on the Rights of the Child in the light of which this law was drawn up.

The executive regulations that were approved and published in the Official Gazette on 9/25/2022 are the executive regulations of the Criminal Child Rights Convention that was published in the Official Gazette on 7/27/2021, and although this law did not provide children with any of the alleged care rights, yet, it and other laws close to it and related to women and family, do not intend to take care of the child or do justice to the woman, but rather with all that package of laws it intends to replace the existing values in society and replace them with Western values. And looking at rights in the Western sense, as this law in its definitions of the child as well as in its view and basis, is based on what was approved by international agreements, including the Convention on the Rights of the Child, to which the Palestinian Authority joined in 2014. These agreements are based on the purely Western view and concepts of rights and freedoms, with the resulting disintegration of families and the inevitable march towards the tangible scenes to which Western societies have degenerated, including decadence and corruption, vice and

perversion, disobedience and disintegration. It goes without saying that this Western view of its “freedoms” leads societies to the path of decadence and ways of corruption and vice, and to the regression of instinct and the sin of perversion until some groups, and in the West itself, began to sense the danger threatening their societies.

The best expression of that Western vision referred to, which was promoted through international institutions, through the aforementioned international agreements, which were signed by the corrupting authority and the Arab regimes of shame, is what US President Biden said in his speech at the United Nations a few days ago: *“The future will be won by those countries that unleash the full potential of their populations, where women and girls can exercise equal rights, including basic reproductive rights, and contribute fully to building a stronger economies and more resilient societies; where religious and ethnic minorities can live their lives without harassment and contribute to the fabric of their communities; **where the LGBTQ+ community individuals live and love freely** without being targeted with violence; where citizens can question and criticize their leaders without fear of reprisal.”*

O the People of the Blessed Land:

The matter is very dangerous, and if you remain silent about the crimes that the Palestinian Authority is committing against you, your children, and your Deen, you will actually lose your children, as it is happening with the Muslim children in Sweden, and you will lose the ability to raise them to the correct Islamic upbringing and education that preserves the Deen and morals, and in that destruction and the loss of values. The PA, and behind it the so-called donor countries, paves the way for the Jewish entity to apply its control over land, honor and sanctities, establish its settlements, and single out al-Aqsa in an effort to divide it and even destroy it and build its alleged temple in its place.

It is incumbent upon you to take a stand that pleases Allah and His Messenger (saw) so defend your children and your Deen, and stand as an impenetrable dam in the face of the abusers and the agents of the colonizers, and declare it loudly that our children are not for sale, and that our sons are soldiers of Islam, their example is Muhammad (saw) not Biden, and they are the descendants of Abu Bakr and Omar and they are not grandchildren of Karl Marx or Adam Smith. If you do that, you will please your Lord, preserve your families, and remain a thorn in the throats of the occupiers and colonialists. ﴿وَاتَّقُوا فِتْنَةً لَّا تُصِيبَنَّ الَّذِينَ ظَلَمُوا مِنكُمْ خَاصَّةً﴾ **“Beware of a trial that will not only affect the wrongdoers among you. And know that Allah is severe in punishment.”** [TMQ Al-Anfal: 25].

Allah (swt) said:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا قُوا أَنفُسَكُمْ وَأَهْلِيكُمْ نَارًا وَقُودُهَا النَّاسُ وَالْحِجَارَةُ عَلَيْهَا مَلَائِكَةٌ غِلَاظٌ شِدَادٌ لَّا يَعْصُونَ اللَّهَ مَا أَمَرَهُمْ وَيَفْعَلُونَ مَا يُؤْمَرُونَ﴾

“O believers! Protect yourselves and your families from a Fire whose fuel is people and stones, overseen by formidable and severe angels, who never disobey whatever Allah orders—always doing as commanded.” [TMQ At-Tahrim: 6].

وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ
