The Jewish Entity's Crime in Jenin for the Normalizers, the Conspirators, and the Negligent Rulers who Guarantee it, and who Bear the Burden of its Recurrence

(Translated)

In a disgraceful and treacherous operation, which resulted in the martyrdom of nine martyrs and a torrent of pure blood, the army of the Jewish entity, with large and heavily armed forces, stormed the Jenin camp, as usual, to cover its fragility and hide its cowardice. It used the utmost brutality by killing, demolishing walls over the wounded, and trampling it over with bulldozers.

Thus, the Jewish entity continues its crimes, and each crime is more immoral and bloodier than the one before. They want to eradicate every brave soul and eliminate the origins of heroes, or so they assume. The Jewish entity is no longer distressed by anything but the breath of heroism, and courage hurts it, even if it is from the isolated. And because the heroism of the people of the Blessed Land never ends, the Jewish entity has not stopped committing crimes or stopped trying, and it will not stop.

This criminal malicious entity has been following a line and a plan for decades, in which there is no change except for the speed of the pace and the dose of criminality. There is no difference in it between its previous or subsequent governments, nor between Netanyahu, Ben Gvir or Lapid and Bennett. Their programs do not differ except by the size of the bidding on the blood of the people of Palestine. Otherwise, their plan is all one, which is to eradicate and kill the people of Palestine, usurp their land, and seize Al-Aqsa Mosque. And here they are storming it today, as they do every day, defiling it with dozens of their flocks while their army in Jenin carrying out its crime, and their new government announces, morning and evening, with all insolence, its intention to annex the land, and that the people of the land have no right to it. They are all waging a real daily war, and endless military operations, with a routine of survival or annihilation, and they will perish, if Allah wills.

The recurrence of these crimes from years ago is the constant in the policy of the Jewish entity, and it remains as long as this entity remains, and it is met by the recurrence and the fixed line of the regimes from decades as well, which is the line of cowardice and creek, conspiracy and betrayal, and then normalization and coordination. The people of Palestine were not only killed by their enemy, but also by every coordinator, normalizer, traitor and conspirator who are all the same in the crime. **And it is not surprising that every escalation and every crime committed by the Jewish entity occurs when its leaders, yesterday or today, are in the arms of the Arab rulers or on a visit to them, as Netanyahu was yesterday a guest in the palace of the Jordanian regime, the owner of the "perforated" tutelage. And at a time when the Palestinian Authority is confirming its treacherous coordination, the news of normalization with the Kingdom of Al Saud is spreading around, today's crime is taking place in Jenin, as if Jewish leaders themselves are exposing the conspiracy of these rulers, or spitting their crime in their faces recklessly, or both.**

Stopping the repeated crime against Palestine, its people, and its sanctity, can only be with the demise of this malicious, criminal entity, and with the demise of the worn-out and cowardly regimes, for this entity has declared war on the entire ummah, and is still fighting it as a whole

when it kills its people in Palestine, defiles its extremities, and usurps its sanctities, and its rulers have no concern for them except to stop it from defending itself, and they have no concern except to divert its compass from its true enemy, direct its weapons to its chest, and kill it at the hands of its sons from the armies, and to make their sorrow among them.

O People of Palestine, O People of the Blessed Land:

Allah Almighty has chosen you to stand firm and fight your enemy on this Blessed Land, and perhaps Allah has also chosen you to be the spark that ignites enthusiasm and heat in the Ummah, and your blood to be the spark that shines in its night, and the sound that awakens it, and perhaps this is the most dangerous thing your enemy sees in you and your greatest roles, so address the call to your brothers, not to your enemies, for your voice is now heard, and address them as their Lord addressed them and remind them of what He entrusted them with in terms of victory and jihad, for they are your brothers in faith and your backbone and support that the forces of evil and colonialism and their tools of agents are trying to separate from you. Your strength is from their strength, and their forces, their armies, and their children are your family, and do not despair of the call, otherwise the alternative to which the disgraced conspirators will divert you is the continuation of the call to the criminals of the so-called international community, which criminals has put in order to legitimize crime against the weak, and begging it only resulted in more abuse, and here are the countries that made that law, they do not protect their borders and do not defend themselves except by armament, war and fire, as is the case in Ukraine, rather, it recommends it to you, through your rulers, cowardice, pride, betrayal, and "international law"!

O Islamic Ummah:

If the Jewish entity practices crime against the people of Palestine, then your rulers practice crime against you as well when they portray to you that the wound is not in your bodies and that the stabbing is not in you, and they criminalize your right when they let you down from helping your brothers in Palestine, and what that brings about from the wrath of Allah, and they keep you away from the cause while you are the real owners, rather they are killing you with your weapons and starving you despite your wealth and making you weak and feeble despite your courage and your strength.

O Armies in Muslim Countries:

Are you the armies of the Ummah or the armies of the rulers?! If you are the armies of the Ummah, then here is the Ummah being killed, its blood being shed, and its sanctities being desecrated. Are you free, or are you imprisoned behind wires made by the colonizer when the rulers, their farms, and their countries were made?! Is death after the age of retirement better, or is it a death for the sake of Allah and martyrdom?! And are you responding to the order of your rulers, and they are the ones who spoiled your Deen and your world and made you stay behind when the fight raged, and when the cowards attacked your brothers, your family, and your sanctities?! Or will you respond to the call of your Lord, as He (swt) said: **﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ اتَّقَلْتُمْ إِلَى الْأَرْضِ أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ﴾** **O believers! What is the matter with you that when you are asked to march forth in the cause of Allah, you cling firmly to 'your' land?¹ Do you prefer the life of this world over the Hereafter? The enjoyment of this worldly life is insignificant compared to that of the Hereafter.** [At-Tawbah 9:38].
