## The Authority's Arrest of Mahran Khdeirat is a Crime of Hatred against the People of Palestine

(Translated)

At dawn on Thursday 12/19/2024, a tyrannical force from the Palestinian Authority security services raided the home of Mahran Khdeirat, and arrested him amidst an atmosphere of terrorizing his family, throwing gas and sound bombs, and assaulting his brothers with beatings.

Khdeirat is known for speaking the truth through his powerful videos in which he exposes criminals, and this is the crime for which he was arrested. Did the authority resent him or increase its resentment towards him because he spoke about its crimes in Jenin, and about the Jews demolishing houses in his city, the city of Adh-Dhahiriya, whose name is associated with Al-Zahir Baybars. The authority and its apparatuses do not move a muscle, but rather bury their heads in the sand, and rely on the Jews to strengthen themselves against the people of Jenin, its children, and its Mujahideen?!

It is an authority that has shed the blood of our brothers in Jenin, by an American-Jewish decision, to prove to them that it is capable of fighting the people of Palestine and shed their blood, and has coordinated security with the Jews and fought the Mujahideen and spread vice and corruption, and has been founded from the first day on betrayal of Allah and His Messenger; an authority like this will not hesitate to arrest Mahran and those who are like him, and the arrest of Mahran is nothing but a crime added to its record of crimes against the people of the Blessed Land after its major crime of relinquishing it.

Today's authority confirms that it is of the same type as the oppressive and tyrannical regimes, the regimes of crime and thuggery; Assad, Sisi, Ibn Salman, and others, as it shares with them the hatred for Islam and Muslims, and does not hesitate to shed their blood, money, and honor. In doing so, it is heralding the fate of the tyrants who preceded it soon, Allah willing. Whoever has an atom's weight of faith left in his heart will not accept being part of the apparatuses of this authority, and he must realize himself before the Ummah seizes them by the throats and places them under its shoes, and before he turns to his Lord while carrying the burdens of the Ummah's injustices and blood.

﴿وَلَوْ أَنَّ لِلَّذِينَ ظَلَمُوا مَا فِي الْأَرْضِ جَمِيعًا وَمِثْلَهُ مَعَهُ لَافْتَدَوْا بِهِ مِنْ سُوءِ الْعَذَابِ يَوْمَ الْقِيَامَةِ وَبَدَا لَهُمْ مِنَ اللَّهِ مَا لَمْ يَكُونُوا

يَحْتَسِبُونَ﴾

“Even if the wrongdoers were to possess everything in the world twice over, they would certainly offer it to ransom themselves from the horrible punishment on Judgment Day, for they will see from Allah what they had never expected.” [Az-Zumar 39:47]
