

Press Release

Trump's Visit is Rejected and the People of Palestine do not Accept the Submission, Humiliation, and Total Surrender which was Shown by Rulers and Leaders of the PA to America and the Jewish Entity

(Translated)

The US President, Trump, visited Palestine after the summit of subjugation and humiliation in Riyadh amid a warm reception from the leadership of the Palestinian Authority (PA) and the great indignation of the people of Palestine. We in **Hizb ut Tahrir in the Blessed Land Palestine** are at the forefront of the people of Palestine who refuse this visit of the hateful spiteful Kaffir to Palestine and emphasize the following:

We reject the subjugation and total surrender of the head of criminality America and its president, Trump, who were shown by the rulers at the Riyadh summit by accepting the fight against Islam and Muslims with Muslim armies and their money on behalf of America under the name of terrorism and extremism, instead of mobilizing these armies and harnessing these funds to support Palestine and its people and liberate its prisoners and Al-Aqsa Mosque (Masra) from the Jewish terrorist occupation.

The terrorist Trump considers those resisting and rejecting the Jewish occupation as terrorists. He considered the prisoners as terrorists during his meeting with Abbas in Washington and called him to stop funding them. He also considered Hamas as a terrorist movement in his speech at the humiliating Riyadh conference amid the applause of the rulers, including the president of the PA. He did not even refer to the occupation and its crimes against Palestine and its people, and above that Trump considers Jerusalem as Jewish, and yet the PA receives him with complete submission, but praises him!! But the PA and the rulers promote Trump's delusion and the deadly poison he offers as a panacea for the solution of the question of Palestine and all the problems of the Islamic world.

The rulers, including the president of the Palestinian Authority, brought their Ummah humiliation and surrender to America, militarily, politically and financially, and handed it the issues of the Ummah, including the question of Palestine to tamper with and end it for the benefit of the Jewish entity, in exchange for preserving of the meager thrones and power of the leaders of the PA.

The people of Palestine, and we at the forefront, do not accept this submissiveness and surrender shown by the PA and by the criminal rulers before it, and we will proceed to remove these rulers from their thrones and appoint the Khaleefah of the Muslims in their place in the righteous Khilafah (Caliphate) on the method of Prophethood, and unite the Muslims and cut off America's influence and liberate Palestine in its entirety and Al-Aqsa and the prisoners, and all occupied Muslim countries. The Khilafah will restore the Muslims' prestige and dignity in the state of justice and pride, and this will take place by Allah's permission even if America, the Jews and the rulers detest it.

﴿وَمَنْ يَتَوَكَّلْ عَلَى اللَّهِ فَهُوَ حَسْبُهُ إِنَّ اللَّهَ بَالِغُ أَمْرِهِ قَدْ جَعَلَ اللَّهُ لِكُلِّ شَيْءٍ قَدْرًا﴾

“...And whoever relies upon Allah - then He is sufficient for him. Indeed, Allah will accomplish His purpose. Allah has already set for everything a [decreed] extent.” [At-Talaq: 3]
