## They Spend their Money in Order to Make Agents, They will Spend it and then it will be a Heartbreak for them, if Allah Wills

(Translated)

The European Union Delegation in Khartoum announced the provision of a package of 15 million euros, of which 5 million euros will be allocated to support and strengthen the rule of law through access to justice. And the mission's ambassador, Aidan O'Hara, stated that **5 million euros will be allocated to support young people working in democratic transition and peace**, stressing that women were the force that supports the revolution, so the transition will not succeed without them, calling on Sudan to show its commitment to women's rights by signing the Convention on the Elimination of all forms of Discrimination against Women (CEDAW). Declaring their willingness to provide technical expertise to the teams participating in consultations on outstanding and sensitive issues in the second phase of the framework agreement, especially with regard to transitional justice.

The EU's missions are one of the colonial institutions that operate in Sudan and other Muslim countries, in order to manufacture agents who carry Western thought and concepts about life, so they focus on the youth, especially women, since youth are always the driving force for change and in order for them to tighten their grip on our country, and to prevent the youth from real change, they work hard and pay money to divert them from the path, and compel them follow the path of Western misguidance. The rulers of Ruwaibidah help them in that, they've sold their Deen for dollars and euros, and opened the country wide for such missions to mess around with the youth and women of this Ummah!

This malicious mission calls on the government to abide by and sign CEDAW, the convention on prostitution and perversion. The agreement that wants Muslim families to disintegrate as their families has disintegrated in the West. It also pays money to young people to make them prisoners of the Western system which makes the separation of religion from life a creed for them, separating them from their Islam so that they are the future rulers of this country. But this is very far, for they will spend their money and then it will be a heartbreak for them, if Allah wills, as the Most High said: ﴿إِنَّ الَّذِينَ كَفَرُوا يُنْفِقُونَ أَمْوَالَهُمْ لِيَصُدُّوا عَنْ سَبِيلِ اللَّهِ﴾ **“Surely the disbelievers spend their wealth to hinder others from the Path of Allah. They will continue to spend to the point of regret. Then they will be defeated and the disbelievers will be driven into Hell.”** [Al-Anfal 8:36].

There are youths in this Ummah who believe in Allah as their Creator, and in Islam as their Deen, and in Muhammad, the Messenger of Allah (saw) as their prophet and messenger. They work day and night for the Ummah's revival on the basis of Islam, and they seek to resume the Islamic way of life by establishing the Khilafah Rashidah (rightly guided Caliphate) on the method of the Prophethood.

**O Youth and Women of Sudan:** Beware of falling into the snares of Satan, and beware of dirty money, and know that you are sons of Muslims, so take the Kafir as an enemy, in accordance with the Almighty's saying: ﴿إِنَّ الْكَافِرِينَ كَانُوا لَكُمْ عَدُوًّا مُّبِينًا﴾ **“Indeed, the disbelievers are your sworn enemies.”** [An-Nisa 4:101]. It is your duty to work with the workers for the cause of the Khilafah Rashidah on the method of the Prophethood, and not for the sake of democratic transformation, and thus you will win in both worlds.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ نُحْشَرُونَ﴾

**“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life. And know that Allah stands between a person and their heart, and that to Him you will all be gathered.”** [Al-Anfal 8:24]
