(Translated)

We were honored by the gracious visit today, Tuesday, 21st of Shawwal, 1445 AH, corresponding to 30 April 2024, by Sheikh Mahmoud Mohamed Osman Abu Naru, the mayor of Bait Ma'alla (a tribe of Bani 'Amir) in Port Sudan, accompanied by Engineer Khaled Idris Noor, a political activist.

They were received at the Office of Hizb ut Tahrir / Wilayah Sudan in Port Sudan by Ustaadh Ibrahim Othman (Abu Khalil), the official spokesperson for Hizb ut Tahrir in Wilayah Sudan, Ustaadh Sulaiman Ad-Disis, Member of Hizb ut Tahrir, and Ustaadh Montaser Karar, Coordinator of the Communication Committee with events in El-Gadarif city.

After introductions, Ustaadh Abu Khalil explained the Hizb, its purpose being the restoration of Islamic life by establishing the Khilafah Rashidah (rightly guided caliphate) on the method of Prophethood, illustrating the necessity of action to establish the Khilafah (caliphate). He explained the current unfortunate state of Muslims today, due to living outside of Islam and due to the focus of the colonial Western kafir systems in our countries. He emphasized how Muslims were once leaders of the world when the Islamic Aqeedah (doctrine) was the foundation of their lives and their state.

The guests praised the speaker's speech, stating their support for the party in all its endeavors, Allah willing.
