

Press Release

We shall definitely be pleased with the True Victory on the day of Establishing Khilafah!

(Translated)

Celebrations spread across many cities in Sudan yesterday, Saturday, 28/9/2024, in Shendi, Atbara, Port Sudan, and others. The celebration even crossed the borders of Sudan to Egypt in joy at the army's victory and its entry into Al Jaili Refinery north of Khartoum, although the news has not been confirmed until this press release was written.

This joy of the people confirms several facts that must be considered:

First fact: The people of Sudan have become so frustrated and hopeless as a result of this cursed war that they celebrate even a partial victory.

Second fact: The army could have eliminated the Rapid Support Forces since the outbreak of the war in April of last year, had it not been bound by flimsy pretexts, as the leadership's connection to America, which desire the war to continue to eliminate the influence of Britain and Europe in Sudan, is the real reason why this war continues for all this time.

Third fact: The people of Sudan are longing for victory because they are part of the Muslim nation that does not know defeat, had it not been for the insignificant rulers who sold their religion for the benefit of others and accepted slavery to the kafir (infidel) colonialist West, carrying out its conspiracies against the Ummah and not observing any loyalty or covenant to their own people.

What should be clear to our people in Sudan is that the situation we have been living in since the entry of the kafir English colonizer into our country until today is that we have replaced what is better with what is worse. We have abandoned the Quran, the Sunnah of our Prophet (saw) and the Sunnah of the Rightly-Guided Caliphs, about which the Prophet (saw) said: «فَعَلَيْكُمْ» «So adhere to my Sunnah and the Sunnah of the Rightly-Guided Caliphs, and cling to it firmly» (Narrated by Al-Tirmidhi, Ahmad, and Abu Dawud). We have left our guidance behind us and adopted the systems of the kufr West, such as civil and military democracy, and other man-made regimes that are not from Islam. We adopted them for decades, and they have led us to this humiliation and degradation.

The true victory that deserves joy will be the day when we are liberated from the colonialist kafir West, from their domination and control, from their so called "international law", and we establish the rule of Allah Subhanahu wa Tala' on earth; a Khilafah Rashidah (rightly-guided Caliphate) based on the method of the Prophethood. Then we have the right to rejoice. Allah Almighty says: «قُلْ بِفَضْلِ اللَّهِ وَبِرَحْمَتِهِ فَبِذَلِكَ فَلْيَفْرَحُوا هُوَ خَيْرٌ مِّمَّا يَجْمَعُونَ» «Say, "In the grace of God and in His mercy - in that let them rejoice. That is better than what they accumulate" [Yunus: 58].
