On Friday, 12/09/2025, a delegation from Hizb ut Tahrir / Wilayah Sudan visited Dr. Mohammed Al-Haytham, Secretary-General of the National Unionist Party, at the Azraq Taybah Complex in Kosti.

The delegation was led by Dr. Ahmed Fadl Al-Sayed, member of Hizb ut Tahrir, accompanied by Mr. Abdel Majeed Othman (Abu Hajar) and Mr. Mohammed Babiker, members of Hizb ut Tahrir.

After the introduction, the head of the delegation clarified that this visit comes within the framework of the campaign launched by Hizb ut Tahrir / Wilayah Sudan to prevent the separation of Darfur, explaining the danger of the scheme on the unity of the country, considering that the issue of the unity of the state and the unity of the Ummah is a decisive issue, toward which the measure taken is life or death.

He also recalled the campaign previously carried out by the Hizb to foil the plan of separating South Sudan, pointing out the woes and calamities that befell Sudan as a result of the separation of the South, and how America succeeded in that, and now it seeks to separate Darfur.

Then the head of the delegation placed the responsibility on Dr. Mohammed Al-Haytham, and said to him that there are men behind you whom you must make aware of this criminal scheme being carried out by America. Dr. Al-Haytham affirmed the delegation's statement and confirmed that he is with the unity of the Ummah, which is its decisive issue, and stated: We agree with Hizb ut Tahrir's project to foil the plan of the kuffar (disbelieving) West to separate Darfur, and also said: The party must continue the path, and we must put our hands together to foil this filthy scheme to strip Darfur from Sudan.
