

## Congratulations

### Upon the Occasion of the Blessed Eid ul-Adhaa

(Translated)

It pleases us in Hizb ut Tahrir in the Wilayah of Sudan to congratulate you and the Islamic Ummah as a whole upon the occasion of the blessed Eid ul-Adhaa, asking Allah Al-'Aliy ul-Qadeer to accept from us and from you the acts of obedience and righteous actions, and that He brings it again whilst the Ummah has been unified under the Raayah (banner) of Islam, the Raayah of Al-'Uqaab, Laa Ilaaha Illallah Muhammad Rasoolullah (saw).

The Eid is an occasion of joy and happiness however; the Ummah has come to be afflicted by so many wounds for it to be able to rejoice! That is because the Kafir colonialist is still killing and destroying the Muslim lands in the East and the West. The wound bleeds in Syria, Iraq, Yemen, Libya and Sudan including other Muslims lands which have been afflicted by agent rulers, who do not have any care for the believer or feeling of responsibility towards him. They fight against Allah and His Messenger and put strangling restriction upon the Da'wah carriers in compliance to the American strategy in its war against Islam. And so the Masjids were locked up in Egypt and every Khutbah was unified upon every Minbar so that there would be no place for the voice of Islam to emerge from.

Here we have our country of Sudan proceeding in line with the very same criminal American plans. It is striving and making efforts to tear up the land and remove Islam and its Ahkaam through the American dialogue that has been fraudulently called "A National Dialogue". The poisons of the plan have begun to bear fruit openly through the banning of the carriers of Islam from the markets, public ways and places, and the plan has even extended to the Masjids. *Wa Laa Hawla Wa Laa Quwwata Illa Billah.*

**O Noble Islamic Ummah:** Has the time not come after all of that you are living through in terms of disgrace and weakness, under the shade of the statelets of harm, has the time not come for you to cast away the clouds of humiliation and work alongside those working to establish the rightly guided Khilafah (Caliphate) upon the methodology of the Prophethood, in which Islam and its adherents will be honoured and Kufr and its followers will be brought low?!

﴿لِمَثَلٍ هَذَا فُلْيَعْمَلِ الْعَامِلُونَ﴾

“For the like of this let the workers [on earth] work” [As-Saffaat: 61].
