Speech of the Official Spokesman of Hizb ut Tahrir in Wilayah Sudan in the Press Conference on the Prevention of the Economic symposium

(Translated)

All praise be to Allah (swt), the Supporter of the believers, the Humiliator of the disbelievers and the hypocrites. And prayers, and peace be upon him; who was sent as of mercy to the worlds, the Imam of the pious, and the seal of the prophets and messengers ...

Honoured brothers, Assalamu Alaikum wa RahmatuAllahu wa Barakatuhu,

We meet you today to clarify the facts and explain words so that everyone can see the secular, ugly, brazen and conspicuous destination which the ruling regime in Sudan is heading to, in order to satisfy the colonial Kaffir West. This regime, which falsely and deceivingly raised the slogans of Islam, and claimed to be the state of the mission, and the protector of the Islamic sanctuaries, its truth is now revealed, fighting in the trench of the enemies of Islam, against those working for the resumption of Islamic way of life, the establishment of the second Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood, the State of Islam and Muslims, the protector of their honors, the guard of their money and lives, the carrier of their great ideology of Islam, as a creed and provisions, to bring the worlds out from darkness into the light, to the path of Al-Aziz (the Exalted in Might), Al-Hamid (the Praiseworthy).

This regime, which has lost its orientation, has become haphazard and turns west, seeking the satisfaction of the disbelieving American, offering sacrifices at the expense of Islam and Muslims, and then turns east to Russia, asking for protection, not realizing that it is like the one seeking refuge from heat into fire, for there is no goodness hoped from America, and no protection comes from Russia; they are both the enemies of Islam, and are fighting it, the Almighty says: ﴿وَلَا يَزَالُونَ يُقَاتِلُونَكُمْ حَتَّىٰ يَرُدُّوكُمْ

﴿عَنْ دِينِكُمْ إِنِ اسْتَطَاعُوا﴾ **“And they will continue to fight you until they turn you back from your religion if they are able”** [Al-Baqara: 217].

Hizb ut Tahrir, the guardian that does not lie to its people, has remained and will remain in its covenant and pact with its Lord and then with the Ummah; carrying the great call of Islam for the revival of the Islamic way of life by establishing the second Khilafah Rashidah on the method of the Prophethood. It will not be deterred by the prevention of mass actions, which the regime has remained as a barrier between them and the Ummah. The regime, has prevented this year alone, to name a few:

- 1- Two Islamic Book Exhibitions in the city of Al-Abyad in April this year.
- 2- After the approval to hold a mass oratorical festival, at Ar-Rabita Midan (Square) in Shambat, as part of the commemoration of the destruction of the Khilafah (Caliphate), which is held by the party in the month of Rajab, it came few hours before its launching and banned it by security force.
- 3- Today it prevents a seminar inside a hall, not in a public arena!

This prohibition, which is contrary to their man-made constitution, is a dangerous sign, and it is the character of the failed and fallen states, which do not respect even their own constitutions and laws, but worst of all, is that they seek to satisfy the enemy of the nation; the Western Kaffir. So, misery is for these regimes, which became the front line in defending the interests of the enemy, the Kaffir West, instead of being the guard of the Ummah and the preservation of its interests.

Preventing Hizb ut Tahrir from its right to peaceful political and intellectual action is the last nail in the coffin of this regime, which has been disguising the people of Sudan for decades by the great Islam, and Islam is dissociated from this regime!! We in Hizb ut Tahrir / Wilayah Sudan call on all political forces, the honorable, politicians, intellectuals and media people to support Hizb ut Tahrir and raise their voices, denouncing these oppressors for standing against the Truth.

In conclusion, we affirm that we are continuing in our work, to resume the Islamic way life, not deterred by being prevented, arrested or imprisoned, for Allah (swt) supports His sincere servants, even after a while. Allah (swt) says:

﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ ﴿٥١﴾ يَوْمَ لَا يَنْفَعُ الظَّالِمِينَ مَعَذِرَتُهُمْ وَلَهُمُ اللَّعْنَةُ وَلَهُمْ سُوءُ الدَّارِ ﴿٥٢﴾﴾

“Indeed, We will support Our messengers and those who believe during the life of this world and on the Day when the witnesses will stand ﴿٥١﴾ The Day their excuse will not benefit the wrongdoers, and they will have the curse, and they will have the worst home.” [Ghafir: 51-52]
