A Government that Holds Foreign Passports is at the Forefront of the Colonizing Enemy to Slaughter the Society's Values

(Translated)

The Minister of Labor and Social Development Lina Al-Sheikh said, "Surely Sudan will sign all the conventions that guarantee women's rights in all spheres," and said her presence in the ministry is an opportunity to support all the feminist movements and their demands. (Sudan Tribune, 17 October 2019).

It was mentioned in the emergency program that the Forces of Freedom and Change advert presented, to become a government program for the transition period during the first year, it was mentioned on page 24: "We recommend that Sudan hastens to authenticate the convention of eradicating all kinds of discrimination against the woman, CEDAW."

Surely the international conventions that are related to the equality of women with men, and especially CEDAW convention, all of them are not based on Islam, but on the basis of the disbelieving western civilization, and its view on the woman. For this reason, these conventions were false due to the foundation that they were built upon. As for the equality of women to men in everything; in inheritance, in work, economical activities, and marriage contracts and others, it also contradicts the details of the Islamic rulings. **﴿كَذَلِكَ يَضْرِبُ اللَّهُ الْحَقَّ**

...Thus does Allah (by parables) show forth truth and falsehood. Then, as for the foam it passes away as scum upon the banks, while that which is for the good of mankind remains in the earth. Thus Allah sets forth parables.﴾ [Ar-Ra'd: 17]

Surely, the Forces of Freedom and Change and its government are amongst the foreign passport holders, that are affected by the disbelieving colonizing western culture, they want to slaughter the values of purity and chastity, that Islam brought without the satisfaction of the West, and that is an illusion that will cause them to perish by the will of Allah (swt).

Verily the people of Sudan who perform ablution bow down and prostrate, who seek the pleasure of Allah (swt), will be standing all alert against the clear secular project, to strip the Ummah from whatever has remained from the rulings of Islam, and in fact they would join those who are working towards bringing back the Islamic way of life through the establishment of the second righteous Khilafah (Caliphate) upon the method of the Prophethood.
