Congratulations on the Occasion of Eid ul Fitr

(Translated)

It is our pleasure in Hizb ut Tahrir / Wilayah of Sudan, to congratulate you and the entire Islamic Ummah, for the blessed Eid ul-Fitr, asking Allah the Almighty to return it to us, and the Islamic Ummah when it has been united under the second Khilafah Rashida (rightly guided caliphate) state upon the method of Prophethood. We also ask Him, Glory be to Him, to accept from everyone their fasting, night prayers and good deeds, and on this occasion, we are pleased to extend our sincere congratulations to the Ameer of Hizb ut Tahrir, the great scholar Ata bin Khalil Abu al-Rashtah, praying to Allah to fulfill the good tidings of the Prophet Muhammad (saw); by establishing the second Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood. We also congratulate the dawah carriers, the Shabab of Hizb ut Tahrir, in various parts of the world, who work continuously and tirelessly day and night, in order to revive the Ummah from its repression, and return it to its position in the leadership of humankind, to goodness, justice and mercy, bearing all sorts of tribulations in order to restore it, a Khilafah Rashidah upon the method of Prophethood.

O People of Sudan:

Eid comes this year, and our country lives in crisis on top of one another, then the Coronavirus pandemic started, which the transitional government dealt with just as the Western capitalist world did, by mixing the sick with the healthy people, then life was disrupted, people were prevented from going to work, and the result was an increase in the number of patients ... and hence the right way is what the great Islam commanded; to isolate patients or suspected patients of being infected at the site of infection, and prevent them from leaving their areas, it also prevents healthy people from entering an area where infected people are present, and life continues naturally, and patients are treated for free and thoroughly at the expense of the State, until Allah (swt) lifts the epidemic, but this will not be, unless we establish life upon the basis of Islam, so we invite you to work with us to resume the Islamic way of life; with the establishment of the second Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood, the greatest obligation in Islam, in fact it is the crown of all obligations...

May you be well and bestowed with goodness every year. Eid Mubarak.

Ibrahim Othman (Abu Khalil)
