## The Hand of Betrayal Targets the Sincere Rejecters of the Political Solution and the Conferences of Treachery in order to Vacate them from the Arena

(Translated)

Purging and assassination operations targeting prominent personalities and leaderships from different groups and movements have become numerous. The latest of which was the assassination of Sheikh Abu Raatib the Ameer of the Ahraar Ash-Shaam movement in Homs at the hands of unknown assailants.

His stance in rejection of the political solution with the criminal regime was known, may Allah accept that from him, in addition to his opposition to the Riyadh Conference and negotiated solutions. And just days before his martyrdom, we consider it as such and do not commend anyone to Allah, he launched an initiative to unify the ranks and to open the battle for Homs until the city was liberated by using all available capabilities. The noteworthy part of his statement was his invitation to the influential men of Ahraar to make a move to invite the major factions in the arena to meet in order to lay down plans to work in a unified manner.

### **O Muslims, O those who are sincerely striving:**

The forms and shapes of conspiracy against the Blessed Revolution of Ash-Shaam have multiplied, the plots of the enemies and those they call 'friends' and 'brothers' have intensified. Assassinations of those sincere have come to represent an objective of the enemies of Allah and that is in order to vacate the arena from them and to bring failure to any attempt aimed at bringing the revolution of Ash-Shaam out from its current state and to free it from the clench of the fangs of the western disbeliever and its agents. The battle between the truth and the falsehood is a battle of destiny and there is nothing for us by Allah except to hold fast to the firm rope of Allah and to sever the ropes of the West, and we must hold on firmly to the solid principles of our revolution in respect to bringing down the regime and establishing the rightly guided Khilafah (Caliphate) upon the path of the Prophethood upon its ruins.

We ask Allah to accept our martyrs and to repel the plots of our enemies and we call every sincere person in the Ummah to work with us to establish the Shariah of our Lord and we do not say except that which is pleasing to Allah Almighty,

﴿إِنَّا لِلَّهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ﴾

“Verily to Allah we belong and verily to Him we return.”
