Conferences Continue to Conspire against the Revolution of Ash-Sham and to Tame its People

﴿وَقَدْ مَكَرُوا مَكَرَهُمْ وَعِنْدَ اللَّهِ مَكَرُهُمْ وَإِن كَانَ مَكْرُهُمْ لَيَتَزُولَ مِنْهُ الْجِبَالُ﴾

“And they had planned their plan, but with Allah is [recorded] their plan, even if their plan had been [sufficient] to do away with the mountains” [Ibrahim: 46]

(Translated)

On the evening of Friday, 26/4/2019, the curtain is closed on the Astana 12 conference held in the Kazakh capital, Nur Sultan, which issued its final statement, with resolutions to preserve the sovereignty of the Syrian Republic and the commitment to the political process led by Damascus and the need to implement the resolutions of the Sochi Conference on Idlib. (Al-Quds Al-Arabi)

The conference was held as part of the episodes that began in 2017 called for by Moscow, after its intervention in Syria in 2015 to save Assad's regime from the sudden fall, according to the statements of its Foreign Minister Lavrov: ["The capital Damascus would have fallen in two or three weeks in the hands of the terrorists without this intervention," (Al-Jazeera. 18/1/2017)].

O Muslims in Ash-Sham the Abode of Islam:

The conspiracy and plots against this orphan revolution is undoubtedly great; the demons of the world participate in it with the cooperation of the Muslim rulers and with roles that are known and open to all; and is in full coordination between its parties; within a specific policy drawn by Allah's enemies; and it is executed in stages within the "step by step" policy that has been revealed by the Russian Foreign Minister Sergei Lavrov who said: (that during their meeting in Sochi, the leaders of Russia, Turkey and Iran had agreed to launch a "step by step" mechanism to restore Idlib, in northern Syria, from terrorist organizations). He added during his participation in Munich Security conference: ("The agreement requires the Russian and Turkish military to begin the work to identify areas within the scope of the cessation of escalation in Idlib, to conduct joint patrols there, after the failure of the implementation of the September agreement between Moscow and Ankara on Idlib," according to Akhbarak news site, quoting Russia Today, 16/2/ 2019).

Accordingly, the convening of the 12 th Astana Conference is part of this context; to follow up on what has been implemented; to define the objectives for this stage; and to remove obstacles to the implementation of the Sochi articles, of which the most important is: creating a buffer zone; joint mobile **Turkish- Russian** patrol groups as first step to demilitarize the lines of the fronts and the opening of international roads, which explains the fierce campaign against the areas liberated by the militias of the criminal regime and its forces before, and by the Russian criminal aviation; on the same day the conference was held, without the Russian criminal forgetting to inform his Turkish counterpart before the raids.

O Muslims in the Blessed Land of Ash-Sham:

The kaffir West works day and night in order to eliminate your revolution, which has made precious and generous sacrifices to overthrow the regime of its criminal agent and establish the rule of Allah (swt) on its ruins. This is not strange; it is the core of its actions and what bothers it. But what is strange is to see the faction's leaders busy working to achieve temporary fake gains; and give up the real and permanent gain of overthrowing the criminal regime and establish the rule of Islam, and the strangest of all this is your silence over all of this, and you see with your own eyes what is happening of the killing and destruction; the decline followed by a decline in the course of the revolution; and large holes of its ship without moving a finger; as if the matter does not mean anything to you; as if you are not among its passengers, the Messenger of Allah (saw) said: «مَثَلُ الْقَائِمِ فِي حُدُودِ اللَّهِ، وَالْوَاقِعِ فِيهَا كَمَثَلِ قَوْمٍ اسْتَهَمُوا عَلَى سَفِينَةٍ، فَأَصَابَ بَعْضُهُمْ أَعْلَاهَا، وَبَعْضُهُمْ أَسْفَلَهَا، وَكَانَ الَّذِينَ فِي أَسْفَلِهَا إِذَا اسْتَقَوْا مِنَ الْمَاءِ مَرُّوا عَلَى مَنْ فَوْقَهُمْ، فَقَالُوا: لَوْ أَنَّا خَرَقْنَا فِي نَصِيبِنَا خَرْقًا وَلَمْ نُؤَدِّ مَنْ فَوْقَنَا. فَإِنْ تَرَكَوهُمْ وَمَا أَرَادُوا هَلْكَوْا جَمِيعًا، وَإِنْ أَخَذُوا عَلَى أَيْدِيهِمْ نَجَّوْا وَنَجَّوْا جَمِيعًا» **The example of the person abiding by Allah's order and restrictions in comparison to those who violate them is like the example of those persons who drew lots for their seats in a boat. Some of them got seats in the upper part, and the others in the lower. When the latter needed water, they had to go up to bring water (and that troubled the others), so they said, 'Let us make a hole in our share of the ship (and get water) saving those who are above us from troubling them. So, if the people in the upper part left the others do what they had suggested, all the people of the ship would be destroyed, but if they prevented them, both parties would be safe.'** (Bukhari)

Save your ship, O people of Ash-Sham before you sink; and save yourselves before the destruction ﴿إِنَّهُمْ إِنْ يَظْهَرُوا عَلَيْكُمْ يَرْجُمُوكُمْ أَوْ يُعِيدُوكُمْ فِي مِلَّتِهِمْ وَلَنْ تُفْلِحُوا إِذًا أَبَدًا﴾ **“Indeed, if they come to know of you, they will stone you or return you to their religion. And never would you succeed, then - ever.”** [Al-Kahf: 20]

And know that victory is in the hands of Allah (swt), so resorted to Him alone; and be sincere to Him alone; and trusted in Him alone; and support Him by working to establish the Khilafah (Caliphate) that implements His law; and protects the Muslim from the evil of the enemies of the Deen; then their plots will turn against them, by the permission of Allah.

Allah (swt) says:

﴿وَقَدْ مَكَرُوا مَكَرَهُمْ وَعِنْدَ اللَّهِ مَكَرُهُمْ وَإِنْ كَانَ مَكْرُهُمْ لِتَزُولَ مِنْهُ الْجِبَالُ * فَلَا تَحْسَبَنَّ اللَّهَ مُخْلَفًا وَعِدِهِ رَسُولَهُ إِنَّ اللَّهَ عَزِيزٌ ذُو انتِقَامٍ﴾

“And they had planned their plan, but with Allah is [recorded] their plan, even if their plan had been [sufficient] to do away with the mountains * So never think that Allah will fail in His promise to His messengers. Indeed, Allah is Exalted in Might and Owner of Retribution.” [Ibrahim: 46-47].
