Congratulations on the Occasion of Eid al-Adha al-Mubarak From the Land of Zaitouna, Tunisia, to the Blessed Land of Palestine

(Translated)

Labbaika, Allahumma Labbaika! Labbaika La Sharika Laka Labbaika! Innal-Hamda wan-ne'mata Laka wal-Mulk La Sharika Lak.

As the voices of the pilgrims at the sacred house of Allah rise in the call to Allah, the voices of the people of Gaza have risen since the Aqsa Flood in the call to Allah. Therefore, all the forces of disbelief (kufr) and the criminal states from the West, who are hostile to Islam and its people, conspire against them to save the monstrous entity of the Jews and to fight the great Islamic project that stems from our creed, and to eliminate our aspiration for dignity and salvation by implementing the law of our Lord.

On the occasion of the advent of Eid al-Adha, we in the Media Office of Hizb ut Tahrir/ Wilayah Tunisia extend our greetings to our patient people in the blessed land of Palestine:

This Eid comes upon us while the deceit of America and its allies, and what they have amassed of hypocritical and discordant states, intensifies to prevent the fall of the Jewish entity, an entity of hatred and crime. This deceit increases day by day, and the massacres in Gaza, Rafah, the north, and others will neither be the first nor the last of this deceit. ﴿قَاتِلْهُمْ اللَّهُ أَلَىٰ يُؤْفَكُونَ﴾

“May Allah destroy them; how are they deluded?” [Surat Al-Munafiqun:4]

Eid al-Adha arrives, and the sacrifices are immense, and the suffering is great; homes and cities destroyed, millions displaced, children orphaned, and honors violated... The only price for all this is the awakening of the Ummah and its efforts to liberate and mobilize its armies to uproot the entity of those who are angered by Allah and to establish the state of Islam that will avenge the deen, the land, and the honor, with the greatest satisfaction from Allah.

O patient Muslims in Gaza in particular, and O Muslims in Tunisia, the land of Zaitouna and the descendants of the conquerors, and O Muslims everywhere:

We, your brothers in Hizb ut Tahrir / Wilayah Tunisia, as we congratulate you on your Eid and ask Allah Almighty to honor us with relief, victory, and empowerment, affirm that our salvation lies in cutting off the ties of these deceitful states that harbor hatred against Islam and Muslims and rejecting their filthy political settlements that have shackled us for decades and mortgaged our decisions to them, and by holding firmly to the strong rope of Allah alone, for our victory is in His hands. Renewing our covenant with Allah, the Almighty, when our voices shouted, "Here I am, O Allah, here I am," we bring you the glad tidings that the plot of the disbelievers will fail, and the promise of Allah to grant victory to His Deen and to honor His sincere servants is near, very near. Then, our Eid and our greatest joy will come. Allah Almighty said: ﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾ **“Indeed, We will support Our messengers and those who believe during the life of this world and on the Day when the witnesses will stand”** [Surat Ghafir:51].
