The Arab Summit is the Official Representative of the Colonial System

This is the Time to Stop the Farce

(Translated)

The 30th ordinary Arab Summit will be held in Tunisia on Sunday, 31 March 2019. The agenda will include the Palestinian issue and its financial crisis, the Syrian crisis, the situation in Libya and Yemen, and the Iranian interference in the affairs of Arab countries. The Arab league spokesperson said that the summit in Tunis **may issue a resolution on the Syrian Golan [Heights]** in the light of recent developments. He claimed that the Palestinian issue will be at the forefront of concerns where the difficult financial situation will be discuss, thus, the issue is turned from being the issue of a usurped Islamic land by the Kuffar that must be fully retrieved, into the subdivisions of the issue, rather into simply outstanding problems, including the problem of the refugees and their return, and the problem of funds which the Jewish entity freezes and prevents their access to the Palestinian Authority! While, America's decision to Judaize the Golan is a matter in which **"a resolution may be issued"**, and while the usurpation and Judaization of the Blessed Land is obsolete, and while the normalization of the rulers of the Arabs with the Jewish entity is a (shameful humiliating) political reality. The summit will discuss the issue of the Iranian intervention, while the American, European and Russian criminal intervention in all countries they are silent about it the silence of the graveyards. Rather, we find explicit engagement in the American strategy called "war on terrorism and extremism", the America's plan to fight the Islamic Ummah and try to prevent it from liberation from colonialism and the establishment of its state.

In this context, we in Hizb ut Tahrir / Wilayah of Tunisia remind the public opinion of the following facts:

1- **The meeting of the Arab rulers and them not meeting is the same, rather their meeting is more dangerous than not to meet. All of our issues are in the hands of the colonial Kafir who runs them as they pleases, and the Arab rulers have no say in them but to hear, obey and implement what the colonial circles decide.**

2- **The Arab League and its summits were one of the most serious and most dangerous of colonial ideas created by a decision by the British Foreign Minister Anthony Eden, and then penetrated by American influence, to entrench meagre states (created by the colonizer to prevent the return of the Khilafah (Caliphate)), so it**

was only a colonial tool that implements what is commanded. Thus, all its decisions since it has been established were a squandering of Palestine and an entrenchment of the Jewish entity. And they were a justification for the destruction of Iraq, and an indulgency for the butcher of Ash-Sham, Bashar, granting him grace after grace to continue killing innocent people. So, it was silent about the massacres of Pharaoh of Egypt, whereas the rush of the Gulf states for secretly and publicly normalize with the Jewish entity, the Summit was blind and deaf about it.

3- The Summit of the Arab League held in Tunisia represents the remaining of the system imposed by the colonizer after the removal of the Khilafah (Caliphate), where quasi-rulers meet. They met **only to sustain the periodicity of meeting in a desperate attempt to prove the failure of the Ummah's revolution. The summit from this side is important for the colonizer, the maker of the official Arab system, who wants to break up the Ummah's revolution and turn it down to the problems of some Arab countries, which must be resolved by "Arab solidarity" and correcting the course.**

O Muslims:

These are meagre states of evil, and these rulers, rather semi-rulers, do not have any authority but to make our issues in the hands of our enemies, so they handed over Palestine, Iraq and Syria, whereas in Yemen and Libya they were divided into two proxy warring sides.

We address the Muslim armies and say to them:

What is wrong with you why do you agree to protect these people and they have sold us to the colonizer?! Is it not time for you to stand in the ranks of your Ummah who have discarded them and revolted on their meager systems?! **Who among you races to the honor of saving this Ummah, to relief it from colonialism and its lackeys and restore to it its usurped authority** so they give their allegiance (Bayah) to a Khilafah to rule by what Allah has revealed and unite the Islamic Ummah on the Book of Allah and the Sunnah of His Messenger and he declares jihad to save the Muslims, so you become soldiers of Allah who free your country and your wealth from the Kafir aggressors, and eradicate the Jewish entity from its roots, and carry the message of Islam to the world?

﴿إِنْ تَنْصُرُوا اللَّهَ يَنْصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ﴾

“If you support Allah, He will support you and plant firmly your feet.”
[Muhammad: 7]
