

Congratulations on the Occasion of the Blessed Eid Al-Fitr

(Translated)

It is our pleasure in the Media Office of Hizb ut Tahrir in the Wilayah of Tunisia, to congratulate you and the entire Islamic Ummah on the arrival of the blessed Eid Al-Fitr, asking Allah (swt) to accept from us and from you the fasting, night prayers and good deeds, and to allow the next Eid to come while the Ummah is united under the shade of its State, the second Khilafah Rashidah (rightly guided Caliphate) on the method of the Prophethood.

Eid comes this year, and the evil rulers prevented us from performing the Eid prayers after they prevented Tarawih, Friday and congregational prayers, and they occupied us with internal conflicts that prevent us from real and fruitful change on the basis of Islam.

We also warn the Ummah and its youth against falling into the traps of colonial institutions and their local tools, as injustice, poverty and corruption are companions to the secular man-made regimes that have ruled this country for decades. There is no way out for the Ummah nor will justice be served except in light of the second Khilafah Rashidah on the method of the Prophethood. For this, and for the day the Takbeerat of Eid will be combined with the Takbeerat of manifest victory, should the workers work.

Eid Mubarak.
