

### Press Release

## **The Banning of our Conference and the Arrest of our Head of the Media Office is a Manifestation of Your Cowardice, Helplessness and Desperation**

(Translated)

The Conference we announced under the title, "[Why the World is in Need of the Khilafah?](#)" for Sunday in order to remind of the 93<sup>rd</sup> anniversary of the abolition of the Khilafah through the English and their local accomplices on 3<sup>rd</sup> of March 1924, as well as to make the world aware of how much it needs it, has been banned, while the Head of our Media Office Mahmut Kar and a member of our Media Office Osman Yıldız, who were invited to the District Police Department of Bayrampaşa under the pretext of the notification about our request for the conference, were taken under custody. Upon these developments, we as **Hizb ut Tahrir / Wilayah Turkey** share the following points with the public:

1. Following the announcement of the Conference circles created echoes in the public by producing fake news - almost like in cooperation. The former Chairman of YARSAV Emin Ağaoğlu - a leftover from Ergenekon (a prior plot attempt) - and Aylin Nazlıaka, who even was sacked from her own party the CHP due to her slandering habits, denounced and filed a criminal complaint. This rabble that considers "the freedom of thought" which they never let fall off their mouths, only as a means to attack the values of Islam and to insult our sacred, has managed to make the government to do what they wanted to do themselves.

2. The cancellation of our conference through the provocation of these circles ignorant of Islam; once again pulled down the masks of the government representatives who deceive the Muslims with their elaborated and enthusiastic speeches. This incident approves the truth of the statement by the chairman of Vatan Party, Doğu Perinçek, to the chairman of MHP, "...Even if they prefer Erdoğan they would be preferring Doğu Perinçek, because an AKP lead by Mr. Erdoğan, has entered many policies which were defended by Vatan Party".

3. The Khilafah is a promise by Allahu Ta'ala, is heralded by Rasulallah *Sallallahu Alayhi Wa Sallam*, it is the shield of the Muslims and highest of all obligations. The world can prosper only through Islam and Islam can only prosper through the Khilafah. That is why it was abolished by the imperialist West and that is why its reestablishment is attempted to be prevented. Then who do you serve by cancelling our conference? The European nations, who even did not provide a conference room to your ministers?

4. The reason for the banning of our conference in the last seat of the Khilafah, while it is permitted to speak, propagate and hold conferences about all kinds of venomous and corrupt ideas, the reason for this banning is the purity and clarity of our ideas, and that we practice real politics, not as a matter of imposture... Our tongues do not speak anything else than the Truth! Our tongues do not produce a single word that would benefit you in secularism and democracy! Among us, there do not exist any fickle persons among us who would speak that what you want! Among us, there do not exist any men among, who would join your democratic constitution ballot with a sense of worship! Our Dawah is one of Haqq, our tongues are firm, and our path, despite all obstacles, leads to the Khilafah Rashidah (Caliphate) that is to be established definitely and for sure. ﴿وَعَدَ اللَّهُ لَا يُخْلِفُ اللَّهُ وَعْدَهُ وَلَكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ﴾ [It is] the **promise of Allah. Allah does not fail in His promise, but most of the people do not know.**" [Ar-Rum: 6]
