## Jihad under the Banner of There is No God but Allah, Muhammad is the Messenger of Allah Is the Real Deterrent to the Jewish Entity in Yemen, Gaza and all Muslim Countries

(Translated)

On Thursday, 26/12/2024, the Jewish entity launched a number of airstrikes on the capital, Sana'a, targeting Sana'a Airport, Hezyaz Power Station, and the coastal governorate of Hodeidah, targeting the ports of Hodeidah, Ras Issa Oil Port, and Ras Kutaib Power Station. The bombing resulted in the killing of six people, wounding forty others, destroying the airport runway, and smashing the airport control tower.

These are not the first criminal acts, and they will not be the last. They coincide with the strikes launched by America and Britain on Yemen since the end of 2023. Anyone with eyes can see the extent of the organic connection between the Kuffar; the Jewish entity and the Crusaders in the West, who sponsored the planting of this entity in the heart of Islamic countries, in its persistence in its hostility to the Islamic Ummah, and its humiliation by causing harm to its waist and establishing an advanced Western military base in Islamic countries - especially after the destruction of the Uthmani Khilafah (Ottoman Caliphate) state, which united its people, protected its territory, and was its guardian that cared for it with Islam.

In light of this scene, which is the destruction of the Jewish entity in Gaza and its aggression against Lebanon, Syria and Yemen, and what the Houthis are doing in launching missiles at the Jewish entity that did not stop its war on Gaza and it was not deterred by these strikes, as they did not achieve enough to lift its criminality or achieve the same destruction and harm in it, why did this criminal entity not get deterred? Because it knows that this response is not coming from the Caliph of the Muslims, as he does not exist. Because it knows that whoever responds to it does not rule by Islam but by a man-made human system, and because it knows that these strikes do not represent Muslims but only the people of Yemen. So Muslims thank those who carry them out and stand by as spectators. And because it knows that those who carry out the strikes did not address Muslims as one Ummah but still consider the Palestinian a foreigner in their country, and the Sykes-Picot borders still control them. And because it knows that the sons of the Ummah did not rush with those who carry out these strikes, racing upon hearing the call for jihad saying we are for it, but rather it is a response from a national state announcing that as soon as the Jewish entity stops its strikes on Gaza, they will stop launching missiles!

Whoever fights the Jews must take the matter from all sides and will find the Ummah before him, because the issue of Palestine is an Islamic issue and its solution is written in the Book of Allah (swt), and no one neglects it except those who have lost their way.

With this scene, we see the shameful position of the so-called legitimacy government that contradicts Islam. This position that was formulated by sinful hands that turned away from the Book of their Lord; while their armies and the Arab coalition behind them are waging a futile war in which Muslims are being killed in Yemen, we see them as cowards betraying the cause of Muslims in Palestine! Will we have an Islamic coalition that will lift the aggression on Gaza and liberate all of Palestine, just as they intervened in Yemen to serve Western projects?!

Isn't it strange that the usurping Jewish entity of Palestine dominates the Ummah of two billion that surrounds it like a bracelet surrounds a wrist?! How can those whose hearts are alike in disobeying Allah's command fight their enemy, those who have become cowardly, and have cut the rope of Allah, and clung to the rope of people, and whom Allah has struck them with humiliation in fighting their enemy, fight you today?! Allah (swt) says: ﴿قَالُوا يَا مُوسَى إِنَّا لَنَدْخُلُهَا أَبَدًا مَا﴾ **“Yet” they said, “O Moses! ‘Still’ we will never enter as long as they remain there. So go—both you and your Lord—and fight; we are staying right here!”** [Al-Ma'idah: 24]. Allah (swt) says: ﴿لَا يُقَاتِلُونَكُمْ جَمِيعًا إِلَّا فِي قُرَى مُحَصَّنَةٍ أَوْ مِنْ وَرَاءِ جُدُرٍ﴾ **“Even united, they would not ‘dare’ fight against you except ‘from’ within fortified strongholds or from behind walls”** [Al-Hashr: 14]. How can the distorters of Allah's Book reach them? Allah (swt) says: ﴿وَقَدْ كَانَ فَرِيقٌ مِنْهُمْ يَسْمَعُونَ كَلَامَ اللَّهِ ثُمَّ يُحَرِّفُونَهُ مِنْ بَعْدِ مَا عَقَلُوهُ وَهُمْ يَعْلَمُونَ﴾ **“Though a group of them would hear the word of Allah then knowingly corrupt it after understanding it?”** [Al-Baqarah: 75]. That they should have the lead and that those who have in their hands the final message which Allah has preserved from distortion should prevail. Allah (swt) says: ﴿إِنَّا نَحْنُ نَزَّلْنَا الذِّكْرَ وَإِنَّا لَهُ لَحَافِظُونَ﴾ **“It is certainly We Who have revealed the Reminder, and it is certainly We Who will preserve it”** [Al-Hijr: 9].

The fragmentation of the Islamic Ummah into small states ruled by agents of the West, after the destruction of the Khilafah (Caliphate) in 1342 AH - 1924 CE, is what encouraged the Jewish entity against us today. So let Muslims work to break these national borders and disobey these agent regimes, and hold fast to the rope of Allah (swt), as Allah (swt) says: ﴿وَاعْتَصِمُوا بِحَبْلِ اللَّهِ جَمِيعًا وَلَا تَفَرَّقُوا﴾ **“And hold firmly together to the rope of Allah and do not be divided”** [Aal-i-Imran: 103]. This is done by establishing an Islamic state that implements Islam internally and propagates it to the world, places international law under its feet, raises the banner of “There is no god but Allah, Muhammad is the Messenger of Allah” for jihad under it, and rejects all other national flags of the day that prevent adherence (to the rope of Allah). So that justice is restored to the earth after the corruption that capitalism has created, and fights the Jews about whom Allah (swt) says: ﴿فَإِذَا جَاءَ وَعْدُ الْآخِرَةِ لِيَسُوءُوا وُجُوهَكُمْ وَلِيَدْخُلُوا الْمَسْجِدَ كَمَا دَخَلُوهُ أَوَّلَ مَرَّةٍ وَلِيُتَبِّرُوا مَا عَلَوْا تَتْبِيرًا﴾ **“And when the second warning would come to pass, your enemies would ‘be left to’ totally disgrace you and enter that place of worship as they entered it the first time, and utterly destroy whatever would fall into their hands”** [Al-Isra: 7]. And not supporting Gaza with missiles and marches until the aggression against it ends, and food and medicine reach it! Or calling for resorting to international law that issued the decision to plant this entity!

Let everyone know that we will not purify the blessed land of Palestine from the filth of the Jews and eliminate their deformed entity except through jihad in the way of Allah, which the sons of the Ummah yearn for. Any other way is an illusion and deception.

Isn't it time for Muslims to wake up and respond to Allah (swt) who says: ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾ **“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life”** [Al-Anfal: 24]. So, they will establish the second Khilafah Rashida (Rightly-Guided Caliphate) State on the method of Prophethood, which Hizb ut Tahrir is working to establish to fight the Jewish entity and return the rule of Islam, after an absence of more than a century!
