The Houthis Arrest the Shabab of Hizb ut Tahrir for Exposing Trump's Deal!

(Translated)

On Friday, 21/11/2025, the Houthi group in Ibb Governorate arrested two members of Hizb ut Tahrir, the brothers: **Osama Muhammad Mas'ad Al-Wurafi (19 years old) and Ibrahim Muhammad Mas'ad Al-Wurafi (15 years old)** following their distribution of a leaflet issued by Hizb ut Tahrir entitled: **"Trump Leads his Followers from the Rulers in the Muslim Lands to a Disgraceful and Shameful Deal, Lowering their Heads Behind Him by Placing Gaza Hashem under Guardianship and Colonialism!"** This leaflet was distributed in Yemen and most Muslim countries.

The leaflet distributed by the Shabab of Hizb ut Tahrir exposes the deal of the criminal Trump and exposes the treacherous rulers involved in it. Among what was stated in it: "This Security Council resolution is not born of the moment but was crafted by Trump with the approval of his followers from the rulers in the Muslim lands since the UN meeting in September 2025, where Trump chaired a meeting that included Saudi Arabia, the UAE, Qatar, Egypt, Jordan, Turkey, Indonesia and Pakistan, on the sidelines of the UN General Assembly meetings on Tuesday, 23/9/2025, describing it as the most important meeting, then he presented—or imposed—upon them a 20-point plan, and the twenty points of his plan spoke of the loss of Gaza and its guardianship and colonialism, making Gaza a garden enjoyed by Trump and his Jewish associates!"

The Houthis' arrest of the Shabab of Hizb ut Tahrir proves their false claims and deception regarding standing with Gaza. They are, in reality, of the same type as the treacherous rulers mentioned in the leaflet such as Bin Salman (MBS) and Bin Zayed—how could it be otherwise when they defend them and arrest those who expose them and expose their American masters before the Ummah? This act strips the Houthis and drops the cover they always tried to hide behind—claiming to stand with Gaza Hashem—while their stance is nothing but slogans with which they deceive people! But far-fetched indeed—for the cycle will turn against them just as it turned against those before them, whether the perished Ali Saleh in Yemen or other criminal rulers in the lands of Muslims. How astonishing! The Houthis raise the slogan "Death to America" while they arrest the members of Hizb ut Tahrir who work day and night to uproot America and its capitalist system!!

Our message to the sincere members of the security establishment in the land of Al-Ansar—the Yemen of faith and wisdom—is that Hizb ut Tahrir has roots deeply embedded in the body of the Islamic Ummah, and its sincere da'wah travels across the horizons of the earth. The Hizb is known to all as a political party whose goal is the resumption of Islamic life by establishing the Khilafah Rashidah (rightly-guided Caliphate) on the method of Prophethood, and it does not use material actions to achieve its goal, not out of fear or cowardice, but as commitment to the method of the Messenger of Allah (saw) in establishing the State. You will find in the basics of the Hizb published on internet sites the clear explanation and sufficient answer proving its truthfulness—that it is the pioneer who does not lie to his people.

We affirm that the Shabab of Hizb ut Tahrir do not fear such repressive actions, whether in Yemen or other Muslim countries where they face arrest at the hands of the regimes there. These practices have not deterred them from continuing their da'wah, and the party will not hesitate in its path, following the footsteps of the Messenger of Allah (saw) to establish the second Khilafah Rashidah upon the method of Prophethood, soon by the permission of Allah Almighty. Allah (swt) said: ﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ * يَوْمَ لَا يَنْفَعُ الظَّالِمِينَ مَعْرِتُهُمْ وَلَهُمُ اللَّعْنَةُ وَلَهُمْ سُوءُ الدَّارِ﴾

"Indeed, We will support Our messengers and those who believe in the worldly life and on the Day when the witnesses will stand* The Day when the excuses of the wrongdoers will not benefit them, and for them is the curse, and for them is the worst home" [TMQ Ghafir: 51–2].
