

The Betrayal of Muslim Rulers from Al-Sham to the Far East Against Life and Honor of the Ummah

News:

Riyadh hosting an extensive conference this mid December for the Syrian opposition composing of both its political and military sides for the purpose to unify the positions in accordance to what fits the US vision of the political solution, which is a prelude to the anticipated negotiations between them and the murderous criminal regime of Bashar Assad.

At the same time in Jakarta, a stormy corruption scandal involving U.S. mining giant Freeport-McMoRan and Indonesia's House of Representatives Speaker Setya Novanto, after revealed a secret recording where Setya Novanto asked for a 20 percent stake - 11 percent for the country's President Joko Widodo and the rest for Vice President Jusuf Kalla - in exchange for an early extension of the company's operations in Indonesia.

Comment:

What happened in Riyadh and Jakarta are similar. Both are evil betrayal of the rulers of the Muslims, who are trading their power to please their master -the US- at the expense of their own people. Saudi Arabia and the Muslim rulers in Syria and the Gulf seem to care more for the interests of their master rather than guarantee the lives and honor of millions of Syrian Muslims. The same thing with Indonesia, which does not seem too bothered by the amount of loss and desperate poverty that have stricken the people of Papua as a result of the operation of Freeport since 1967.

Saudi-sponsored conference in Riyadh clearly aimed at aborting the Islamic revolution in Syria for the successful realization of a secular democratic state not based on Islamic law which is contrary to the goals of the revolution of Sham. Saudi Arabia in coordination with Turkey and Qatar gather factions to gain trust from the Western Kuffar in order to realize the Western's interest at the expense of the sacrifice and the blood of the Muslim Ummah.

While in Indonesia, the ruler is also occupied by facilitating the economic interests of the US to rob the wealth of this largest Muslim country via the extortion machine, Freeport McMoRan. The Muslim rulers in the Far East, i.e. in Indonesia and Malaysia, even have signed the agreement scheme of TPP (Trans Pacific Partnership) with the US, and the regional free-trade regimes in order to save the US economy from the brink of bankruptcy and ensure that capitalism still exist in the world.

Truly, the absence of a leader who runs the laws of Allah (swt) has made those foolish rulers (*ruwaibidhât*) become a tool to run the Western scenarios. Moreover, they are at the forefront to defend Western civilization which is built based on the separation of religion from life (*fas'luddîn 'an al-hayât*). In Sham, these treacherous rulers guard the US interests to prevent the resurgence of global political power of Muslim Ummah through the womb of revolution of Sham; while in the Far East, the *ruwaibidhât* regimes are in charge of guaranteeing that the US still has the economic power to ensure the hegemony of capitalism in the world. These foolish rulers work to subjugate the Muslim Ummah so that they remain silent and compromise with the existing system, in the treacherous negotiations to ensure the US interests and realize the US rotten solution.

Remember the words of Prophet (saw):

«سَيَأْتِي عَلَى النَّاسِ سَنَوَاتٌ خَدَاعَاتٌ يُصَدَّقُ فِيهَا الْكَاذِبُ وَيُكَذَّبُ فِيهَا الصَّادِقُ وَيُؤْتَمَنُ فِيهَا الْخَائِنُ وَيُخَوَّنُ فِيهَا الْأَمِينُ وَيَنْطِقُ فِيهَا الرُّوَيْبِضَةُ قِيلَ وَمَا الرُّوَيْبِضَةُ قَالَ الرَّجُلُ النَّافِثُ فِي أَمْرِ الْعَامَّةِ»

“There will come to the people years of treachery, when the liar will be regarded as honest, and the honest man will be regarded as a liar; the traitor will be regarded as faithful, and the faithful man will be regarded as a traitor; and the Ruwaibidhah will decide matters.” It was said C?’ The Prophet replied: “Vile and base men who will speak in the affairs of the people.” (Narrated by Ibnu Majah)
